

HISTORY

Since 2001, a team of volunteers has led a Thursday afternoon group dedicated to providing an afternoon of entertainment and fellowship. The monthly meetings in the pleasant surroundings of the air-conditioned parish centre are a time of friendship, fellowship and great fun with an entertaining program of speakers. Pam, Sue and Jane are your delightful hostesses, who, for a small donation, provide a lavish afternoon tea. Easy wheel chair access and off-street parking is available.
